

APPLICATION FOR INDIVIDUAL MEMBERSHIP

1. Application for membership of organisation:

- South African Association of Physicists in Medicine and Biology (SAAPMB)
 South African Medical Physics Society (SAMPS)
 South African Radiation Protection Society (SARPS)
 South African Radiobiology Society (SARS)

2. Application Category (Please refer to requirements for Membership in Constitution)

- Full Member Associate Member Corresponding Member
 Retired Member Student Member

3. Details of Applicant

Title:
Surname:
Full names:
Preferred Name:

4. Address

4.1. Work Postal Address

Employer:
Address:
Postal Code:

4.2. Home Postal Address:

Postal Code:

4.3. E-mail address: _____

4.4. Correspondence delivered to Work Address, Home Address, E-mail?

4.5. Telephone Numbers:

Telephone number (home):
Telephone number (work):
Fax number:
Cellular number:

Do you wish to be added to the MEDPHYSA list server? Yes No

Please note that home numbers and cellular numbers will not be made available to other persons.

5. Academic Qualifications (Please attach certified copies of certificates)

Degree/Diploma	Year Acquired	Major Subjects	Institution

6. Current Position: _____

6.1. Institution: _____

7. Previous Experience in Physics, Engineering and Radiation Work applied to Medicine
(Please supply enough detail)

Period	Institution	Position	Type of Work

8. Registration at Health Professions Council of South Africa

Registration Number:
Registration Category / Status:
Registration Date:

9. Proposer and Seconder

Proposed:	Name of Member:
	Signature:
	Email:
Seconded:	Name of Member:
	Signature:
	Email:

10. **Application Fee** (included): Cash Cheque Bank Deposit (Attach Proof of Payment)

11. Declaration by Applicant

I, the undersigned, declare that all information contained in this Application is correct and that I agree to abide by the Constitution of the Association and the constitutions of the applicable societies.

Signed: _____

Date: _____

For OFFICE USE:

Application received:

Application approved:

Membership Status Awarded:

REQUIREMENTS FOR APPLICATION

1. Applications must be completed fully and correctly and sent to the Secretary via email or fax. Supporting documentation and certificates must be sent with the application.
2. Applications must be signed by the applicant, a voting member proposing and a voting member seconding the application.
3. The application fee shall be equal to the annual fee applicable to the membership category and is refundable should the membership application or membership category application not be successful. Bank deposits can be made to the following account:
Acc holder: South African Association of Physicists in Medicine and Biology
FNB – Cheque Account
Acc no: 626 499 018 33
Branch: Somerset Mall
Branch code: 200912
4. Council shall decide on membership approval at the first council meeting following the date when the application was received.
5. Membership of the specialist groups shall be decided upon by the executive committees of the societies following the approval of membership by Council.
6. Membership categories are defined in the following extracts from the Constitution of the SAAPMB re Membership:

2.2.2. Members.

Members shall be individuals who have -

- 2.2.2.1. Completed a masters or higher degree in physics, or equivalent qualification in natural science and who have subsequently had a minimum of one year's experience in medical physics, radiation protection, radiation biology or nuclear science applied to medicine or biology to the satisfaction of Council; OR
- 2.2.2.2. Completed an honours degree in physics, or equivalent qualification in natural science and who have subsequently had a minimum of two year's experience in medical physics, radiation protection, radiation biology or nuclear science applied to medicine or biology to the satisfaction of Council; OR
- 2.2.2.3. Completed a bachelors degree in physics, or equivalent qualification in natural science or engineering and who have subsequently had a minimum of five year's experience in medical physics, radiation protection, radiation biology or nuclear science applied to medicine or biology to the satisfaction of Council.

2.2.3. Retired Members.

Retired Members shall be Members who are in good standing and who have attained full retired status, even though they may still be employed in a temporary capacity.”

2.3.1. Associate members

Associate members shall be individuals holding an appropriate scientific or technical qualification, and exceptionally others, whose duties and/or interests are concerned with the applica-tions of physical or engineering science to medicine or biology.

2.3.2. Corresponding members.

Corresponding members shall be individuals -

- 2.3.2.1. Fulfilling the same conditions pertaining to Members or Associate members as set out in clauses 2.2.2. and 2.3.1 *supra*, but who are permanently resident outside South Africa;
- 2.3.2.2. Who are either Members or Associate members but who are temporarily absent from South Africa for a period of not less than three years;

provided that individuals resident abroad either permanently or temporarily may retain their grades of Membership or Associate membership should they so elect.

2.3.3. Retired members.

Retired members shall be members of either of the grades of Associate or Corresponding membership who are in good standing and who have attained full retired status, even though they may still be employed in a temporary capacity. Such members shall be designated Retired Associate members and Retired Corresponding members respectively.

2.3.4. Student members

Student members shall be individuals who are *bona fide* students and whose interests lie in the applications of physical or engineering science to medicine or biology.”
